

Homework Workshop

Mr Connaughton

Importance of your participation in Homework

- Short but powerful
- Positive
- Follow the steps
- Not superhuman

Typical Classroom Lesson

- Keywords
- Learning Intentions
- Textbook reference to Topic
<https://www.folensonline.ie/home/library/programmes/active-maths1/ebook/>
- Explanation of Key words
- Examples
- Homework

Importance of Hardback

- Everything you need is in the notes
- Have it open at all times
- Put the pieces together/problem solving

Online

- <https://www.folens.ie/programmes/build>
- Other online resources
- <https://www.youtube.com/watch?v=BgblvF90UE>
- <https://www.mathsisfun.com/whole-numbers.html>

Some of the Research

- <https://www.slideshare.net/NBASD/parent-involvement-presentation>

What to look for

- Ease yourself into the process
- Is your son or daughter getting regular notes about homework?
- Ask yourself.. Is the work neat ? Has it a title and date ?
- Basically has your son or daughter invested time in this piece of work?
- When you have become more confident...question the content
- Now lets Practice.....
