Any further applications received after the closing date for the receipt of applications will be placed on the waiting list by reference to the date the application was received in the school. ## **Finance**

In addition to resources provided by the Department of Education and Skills, the school relies on contributions from parents/guardians to continue to provide the students of Woodbrook College with the best possible resources. Such contributions are completely voluntary and there is no compulsion to pay nor will non-payment adversely affect any student's application for enrolment. The contribution we ask parents/guardians to make is broken down as follows:

- Administration contribution payable with request for place .....€ 150  
(Includes journal, insurance, locker, photocopying, postage etc.)
- Voluntary capital contribution.....€ 160

## **Students with Special Educational Needs**

Woodbrook College welcomes applications from students with special educational needs subject to the appropriate provision of resources to the school by the Department of Education and Skills. The school will use these resources to make reasonable provision and accommodation for all such students thereby ensuring that in so far as is reasonably practicable, these students can participate fully in the life of the school. Parents are required to co-operate with the school to establish the special educational needs of the student and in making the necessary applications to the Department of Education and Skills and the Special Education Needs Organiser to secure the resources necessary to meet those needs. Failure to do so impedes the school's ability to provide adequately for the student and, in extreme cases, might prevent or delay his or her admission.

Parents/guardians of applicants with special needs are asked to provide the school management with the following:

- The most recent copy of the applicant's medical/psychological report/Individual Education Report or an immediate assessment
- Details of any Special Needs Assistant or Classroom Assistant available to the applicant in their previous schools

- Any Irish or other exemptions granted to the applicant

This information is necessary in order to assist the school in establishing the educational and training needs of the child relevant to his or her disability or special needs and to profile the support services required.

## **Right to Refuse**

The Board of Management reserves the right, in exceptional circumstances, to refuse admission to a student or to withdraw a place previously granted. Such exceptional circumstances could arise where:

- 1) The student has special needs such that even with additional resources available from the Department of Education and Skills, the school cannot meet such needs and therefore cannot provide the student with an appropriate education
- 2) The nature and degree of the applicant's special needs is such that to enrol the student would be inconsistent with both the best interests of the student concerned and the effective provision of education for the other students with whom the student is to be educated

- 3) In the opinion of the Board of Management, the student poses an unacceptable risk to other students, to school staff and/or to school property
- 4) In the opinion of the Board of Management, the student's behaviour would be detrimental to the education of other students in the school, basing our value judgements on the principles of natural justice

### **Admission to Transition Year**

Woodbrook College offers a Transition Year programme at the end of 3<sup>rd</sup> year. There are two transition year classes of 24 students each (maximum). All third year students are eligible to apply to complete the Transition Year Programme before progressing on to fifth year and the first year of the Leaving Certificate Programme. However, depending on the numbers applying, it may not be possible to offer a place to each student who applies. Students may of course transfer directly into 5<sup>th</sup> year if they wish and in such circumstances are not required to make an application for transition year.

In the event that the number of applicants in any one year exceeds the number of places available, some or all of the following may be used to determine how the available places will be allocated:

- 1) If the applicant has already repeated a year at Junior Cycle. Under Department of Education and Skills regulations, a student may not remain in school for more than six years before sitting their first Leaving Certificate examination
- 2) It is the considered opinion of the school, having consulted with parents/guardians that a particular student would not benefit from participation in Transition Year or would benefit better from immediate entry to the 5<sup>th</sup> year programme or the Leaving Certificate Applied Programme (LCA) if available.
- 3) The students disciplinary record in junior cycle
- 4) The students attendance/punctuality record in junior cycle
- 5) The students application to work and homework in junior cycle

If after taking the above into account, the number of applicants still exceeds the number of places available, each applicant will be interviewed by the Transition Year co-ordinator and the Deputy Principal. On the basis of their performance at this interview, places will be offered to the most suitable candidates.

#### ***Application for Admission to Transition Year by External Students***

Students applying for admission to Transition Year who are not existing students of the school are subject to the criteria contained in this policy relating to the “Transfer of Students from other Schools”.

#### ***Appeals***

Decisions not to admit a student to Transition Year may be appealed in the first instance to the Principal. Thereafter, an appeal may be made to the Board of Management.

## **Appendix 2**

### **Admission to the Leaving Certificate Vocational Programme**

Entry to the Leaving Certificate Vocational Programme (LCVP) is determined by reference to the combination of subjects being studied by the applicant at leaving certificate level. Only those students who have the correct combination of subjects, as determined by the Department of Education and Skills, can be admitted to the Leaving Certificate Vocational Programme class.

## **Appendix 3**

### **Admission to Leaving Certificate Applied Programme**

Application to enter the Leaving Certificate Applied Programme (LCA) (if available) will be accepted from 3<sup>rd</sup> year and Transition Year students. Admission will be by Year Head recommendation and interview and places are limited to 12 students each year. The school will endeavour to admit all students who wish to undertake this programme provided, having consulted with parents/guardians, it is felt that participation on the programme will be of benefit to them and subject to the availability of places. Applications will also be accepted from external students although first preference will be given to existing students of Woodbrook College.

LCA Programme Information is issued to Parents/Guardians of Prospective Students. Students and their parents receive comprehensive and timely support in decision-making. Students also have access to the guidance counsellor, advice from the LCA co-ordinator and subject teachers. In addition, a brochure documenting the LCA programme is posted out to parents of prospective LCA students. Specific criteria, in line with the objectives of the programme, are employed for selection and targeting of students. In advance of selection of the senior cycle programme, the co-ordinator discusses student selection with the Third Year Head and Transition Year head and Guidance Department, third-year and transition year subject teachers and the special educational needs team in order to identify those candidates for whom the LCA programme is appropriate and beneficial.

#### ***Appeals***

Decisions not to admit a student to the Leaving Certificate Applied Programme may be appealed in the first instance to the Principal. Thereafter, an appeal may be made to the Board of Management

## **Appendix 4**

### **Application to Repeat the Leaving Certificate**

Woodbrook College will only accept applications from their own 6<sup>th</sup> year students who wish to repeat their Leaving Certificate. However, applications will only be approved in the case of students:

- Who have an exemplary discipline record
- Who in the opinion of their teachers are likely to benefit from this opportunity

In addition, agreement to repeat the Leaving Certificate will be subject to:

- The subject options available
- The places available within the subject class groupings after the existing 6<sup>th</sup> year students have made their selection
- The curricular restrictions of each subject area
- The provisions of the Department of Education and Skills Circular M02/95

Should there be insufficient places available in any subject option for the number of 6<sup>th</sup> year repeat applicants, the available places will be allocated by lottery

Applicants who wish to repeat their Leaving Certificate should complete the Repeat Leaving Certificate Application Form, available from the school.

## **Appendix 5**

### **Application to Repeat 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> or 5<sup>th</sup> year**

Woodbrook College will only accept applications from existing students who wish to repeat a year of school in exceptional circumstances. Such circumstances might include prolonged absence due to illness or other personal matters. The school reserves the right to take into account a student's disciplinary record in reaching a decision in this regard. Applications to repeat a school year should be made in writing to the Principal and should state clearly the reasons for the request.
