

How to sign in to Google Classroom

- Go to the web page www.gmail.com

The screenshot shows the Google sign-in interface. At the top is the Google logo, followed by the text "Sign in to continue to Gmail". Below this is a text input field labeled "Email or phone". Underneath the field is a link for "Forgot email?". A message states "Not your computer? Use Guest mode to sign in privately." with a "Learn more" link. At the bottom left is a "Create account" link, and at the bottom right is a blue "Next" button. At the very bottom of the page, there are links for "English (United States)", "Help", "Privacy", and "Terms".

Your email is in this format

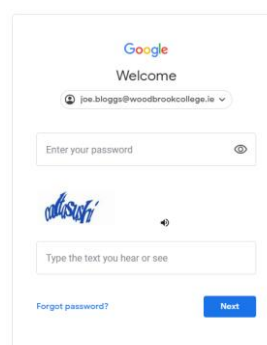

firstname.surname@woodbrookcollege.ie

You **CANNOT** use your own Gmail email it will not work!

It must be a **woodbrookcollege.ie** one

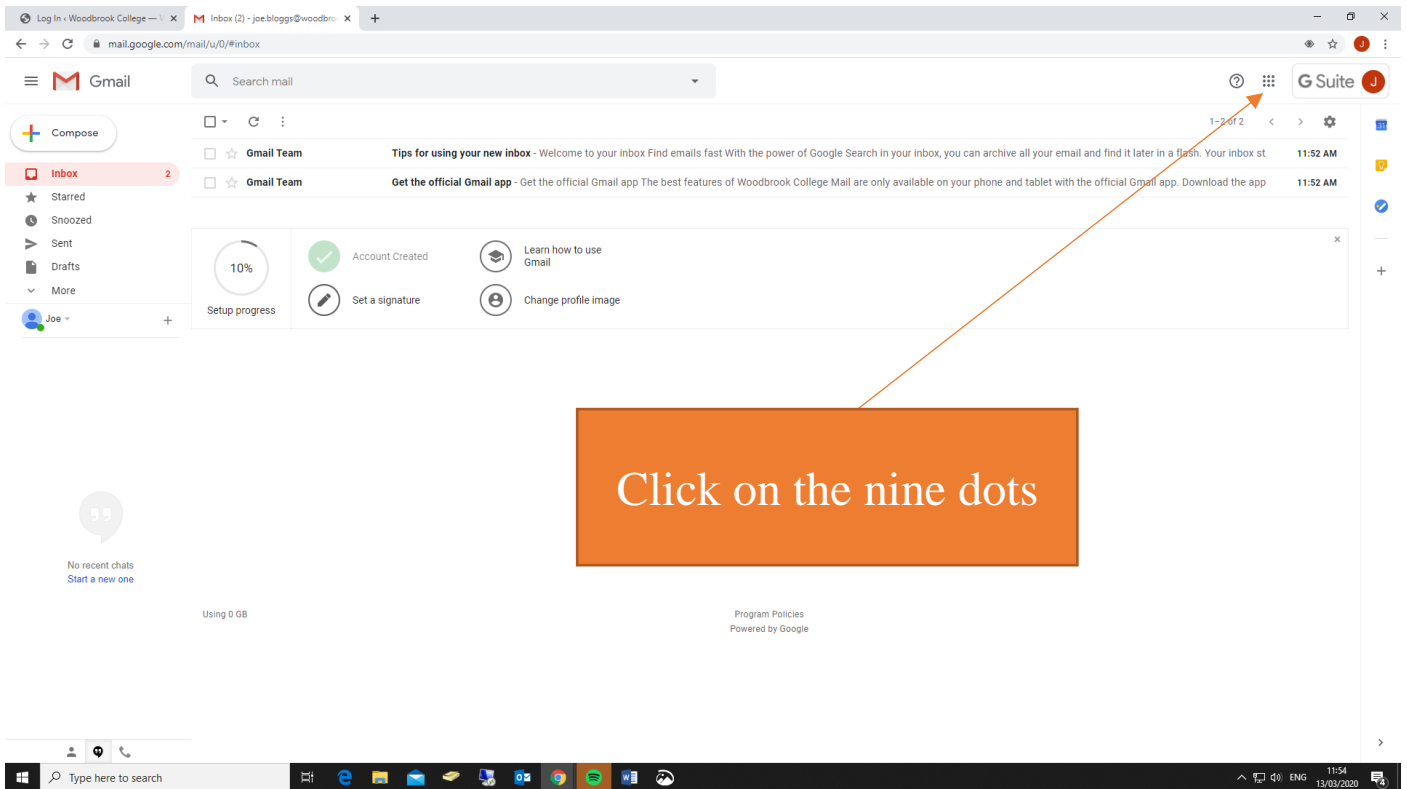

Then enter your password.

- If you do not remember your password or need a reset please email classroom@woodbrookcollege.ie
- Sometimes you will have to complete some security questions like retyping a word

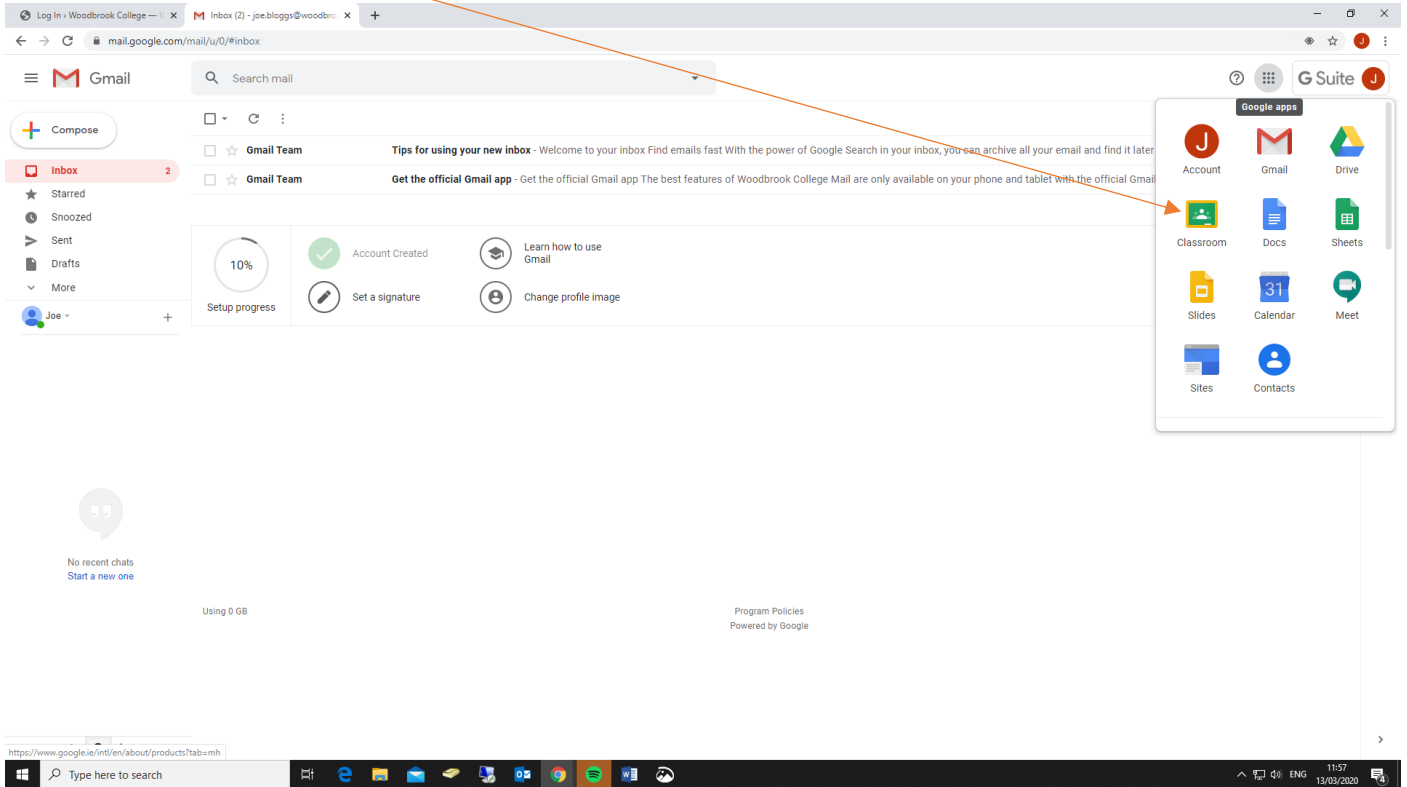

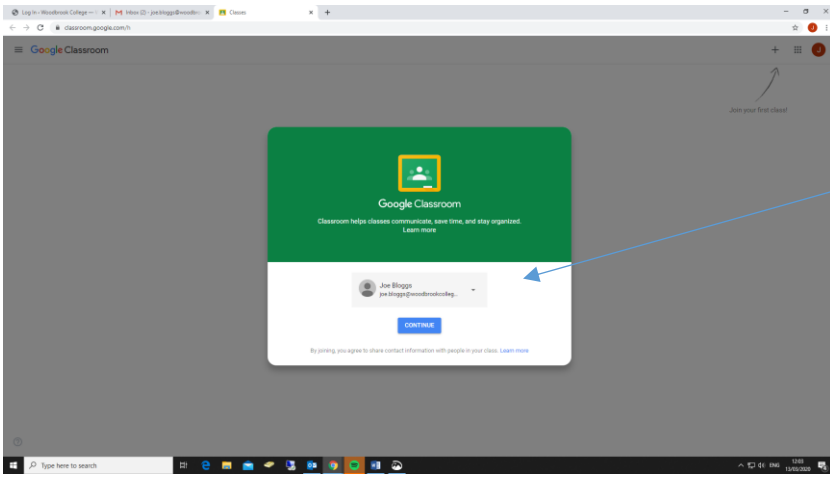

The screenshot shows the Google password and security question page. At the top is the Google logo and the text "Welcome". Below this is a dropdown menu showing the email address "joe.bloggs@woodbrookcollege.ie". There is a text input field labeled "Enter your password" with a toggle for visibility. Below the password field is a security question image showing the word "classroom" written in a cursive font. Underneath the image is a text input field labeled "Type the text you hear or see". At the bottom left is a "Forgot password?" link, and at the bottom right is a blue "Next" button.

After successfully logging in you will be on this screen.

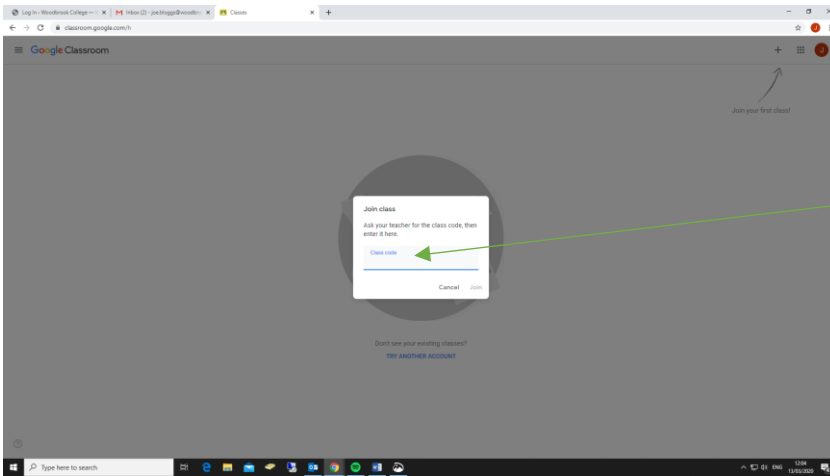

Select Classroom

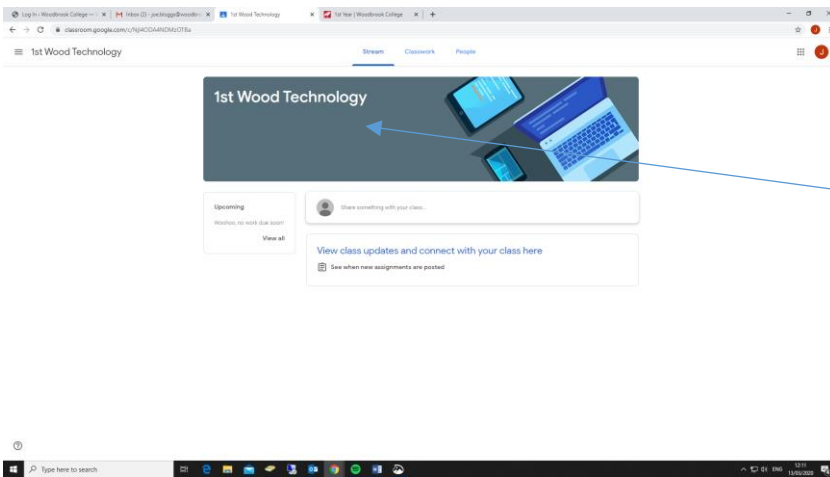

- Click on continue
- Select student

Type in the appropriate class code

Codes are listed on www.woodbrookcollege.ie

Click on the Google Classroom

You are now a member of that class

When joining a class it is good practice to copy and paste the code from the school website to Google Classroom.
